Installation Overview

Located on a scenic 946-acre island in the upper Mississippi River, Rock Island Arsenal is the largest government-owned weapons manufacturer arsenal in the western world. Known world wide as a leader in excellence, the Arsenal manufactures gun mounts, artillery carriages, recoil mechanisms and other equipment for the Armed Forces as well as assembling tool sets, kits and outfits that support equipment in the field. The Arsenal's stone buildings are also the home to approximately 40 tenant organizations, which receive quality facility support services such as general supply purchasing, security, information technology, and maintenance.

Military presence began on Arsenal Island in 1804 when the United States acquired title to the land through a treaty with the Sac and Mesquakie Indians. Twelve years later Fort Armstrong was built on the western tip of the island to serve as a sanctuary to early pioneers. In July 1862, Congress enacted legislation establishing the Rock Island Arsenal.

Throughout the years the Arsenal has played a vital role in the Nation's defense. Today the facility is a center of technical excellence for weaponry and support equipment. Recent modernization has greatly enhanced the physical plant, machine tool inventory and data processing capabilities.

Whether the mission is manufacturing, logistics or base operations, Rock Island Arsenal is dedicated to top quality products and customer service. In recent years the Arsenal has been recognized as an ISO 9002 registered facility, a Center of Excellence for Quality, a National Partnership facility, a Contractor Performance Certification Program Certified Facility and a Presidential Quality Award finalist.

MANUFACTURING: The Arsenal's reputation for matching excellence has attracted work orders from all branches of the US Armed Forces and its allies. Every phase of manufacturing development and production is available in the modern Kingsbury Manufacturing complex. Specially trained machinists fabricate prototypes. Limited initial production, total production, and spare and repair parts production are accomplished throughout the state-of-the-art facility.

LOGISTICS: The Arsenal's incredible success in its logistics mission has made it a major supplier of the military's tool sets, kits and basic issue items. Trained logistics personnel fabricate and assemble large-scale

tool sets ranging in size from carrying-case tool sets to fully equipped shelters. Assembled tool sets are critical to soldiers as they repair and maintain a variety of systems, vehicles and other support items on the field. Basic Issue Items sets for major end items are also fabricated and assembled at the Arsenal's logistics center.

BASE OPERATIONS: The Arsenal's third mission is to provide support to its tenants and their 4,000 employees. Arsenal personnel provide expertise in purchasing, information management, personnel administration, communications, building maintenance, fire protection and security. Additional tenants can easily be accommodated in the Arsenal's beautiful, modern stone buildings.

Historic points of interest on Arsenal Island are: The Rock Island Arsenal Museum; Confederate Cemetery; National Cemetery; the original, 19th century stone workshops; officer's quarters along the river; COL Davenport's House; and the site of the first bridge built across the Mississippi.

Must Know Items

DIRECTIONS TO ROCK ISLAND ARSENAL FROM QUAD CITIES AIRPORT:

Follow the airport signs that take you out of the complex. You will come to a stop light, facing north. This is Route 150 and Interstate 74 intersection. Turn left. Proceed north on Interstate 74. Take the 7th Avenue exit. Turn left onto 7th Avenue then immediately turn right onto 19th Street. Head north on 19th Street to 2nd Avenue (second intersection past the railroad tracks). Turn left. Proceed 2 blocks to the ramp entrance of the Rock Island Arsenal. Once on the Arsenal, proceed on Rodman Avenue past the cemetery (on the left) and military housing (on the right). Office buildings start at East Avenue. Visitor parking is available throughout the Island. The speed limit is posted on the Island (25 or 30 mph) and the Illinois seat belt law is enforced.

PCS REPORTING-IN PROCEDURES:

Installation In-Processing checklists must be obtained from Army Headquarters Support Troop, Bldg. 110, 1st Floor, (309)782-1444 or DSN 793-1444. Your duty office may have additional requirements for in-processing. It is important that all active duty sponsors meet with the Health Benefits Advisor to ensure that they are enrolled in the proper TRICARE region. Rock Island Arsenal is considered a remote location. The Health Benefits Advisor is located in BLDG 110, East Wing, Basement and can be reached at (309)782-0800 or DSN 793-0800.

IMPORTANT DOCUMENTS:

DO NOT FORGET to have the following relevant documents with you while moving: several copies of your PCS orders, official birth certificates, immunization records, school transcripts, medical/dental records, wills, power of attorney, marriage license, divorce decree, adoption decree, naturalization papers, social security cards, car title and shipping papers (if coming from overseas), car insurance policy information, driver's license, car registration, household goods shipping inventory, employment records and references, and pet records.

TEMPORARY HOUSING:

There is one Transient/Visiting Officer Quarters available for \$35.00 per night. Transient Quarters Office is located in in Building 110, 1st floor, SE wing and can be reached at (309)782-0833 or DSN 793-0833. Office hours of operation are 0830-1600. Keys, registration cards, and payment are to be obtained in building 110, Transient Office during normal business hours. After hours arrangements must be made in advance. Unaccompanied military members or single military members may be allowed to stay in Bachelor Enlisted Housing, contact (309)782-1444 or DSN 793-1444 for more information.

CHILD CARE:

On installation child care center and family child-care homes are available. Contact Child Development Services at (309)782-2828 or DSN 793-2828. Youth Services is available on installation for school age children, (309)782-7544/5019 or DSN 793-7544/5019. Numerous child-care centers are available in the surrounding communities.

ON-POST HOME-ALONE POLICY:

This policy applies to all service members, spouses, children, and guests residing on Rock Island Arsenal. Applicable state laws will apply to service members residing off post.

1) Children who have not yet completed 6th grade will be directly supervised and will not be in monitored self-care or home alone.

2) Children who are between completion of 6th and 8th grade may be in monitored self-care if they have successfully completed a Home Alone Class prior to parents allowing them to be home alone. These classes will be coordinated by the Children and Youth Services Office and may be offered as a group or individually. The adult will be aware of the child's location and activities during this time. An emergency contact will be available at all times. It is the parent's responsibility to assess the child's ability to be in monitored self-care.

3) Grade is not the only determining factor for parents to consider when allowing their child to be in monitored self-care. Parents must be aware of the child's maturity level and ability to deal with emergencies. These guidelines should not be used in lieu of common sense and good judgment. Children with special medical or physical needs may require more direct supervision.

4) Youth 13 to 18 years of age, and consistent with their mental and physical capabilities, may care for siblings in their own home or children in other

quarters on Rock Island Arsenal. No child under the age of 16 will be left alone overnight.

5) Parents are expected to know their children's whereabouts and monitor their activities. Failure to adequately supervise or safeguard children may result in a finding of neglect by the Case Review Committee and/or administrative action may be taken against the parents.

SCHOOLS:

The Rock Island Arsenal does not have a Department of Defense Dependent School on the installation. Children living on RIA attend the Moline, Illinois School District, (309)757-3500. Specifically, elementary students attend Franklin, 5312 11th Avenue C, (309)757-3510, Junior High students attend Wilson Middle School, 1301 48th Street, (309)757-3530, and high school students attend Moline High School, 3600 23rd Avenue, (309)757-3545. Local Community

Local Community Overview

The Quad Cities is comprised of metropolitan areas on both sides of the Mississippi River. There are actually more than four cities in the "Quad" including: Davenport, Bettendorf and Riverdale in Iowa; Rock Island, Moline, East Moline, Milan, Silvis, Carbon Cliff and Hampton in Illinois. Currently, the Quad Cities ranks among the top one hundred Standard Metropolitan Statistical Areas with a population of 400,000. The Mississippi River provides fishermen with catches ranging from panfish to catfish, pike and bass. Boating enthusiasts find dock and boat landing facilities excellent on both sides of the river. Hunters find ample waterfowl along the river and good pheasant hunting a short drive away. The Mississippi's newest attraction and the area's newest industry is the addition of the riverboat gambling. The largest of these boats docks in Davenport. The communities offer a large schedule of events each year ranging from a major national golf tournament to riverboat excursions.

DAVENPORT, IOWA: Named after COL George Davenport, this community was first settled in 1808 and incorporated in 1836. Situated at the lower end

of the Rock Island Rapids on the Iowa side of the Mississippi River, Davenport became a logical crossing and stopping point for immigrants heading west and as a place to re-supply for the trip. In 1856 it became the site of the first bridge across the Mississippi River. Davenport is the largest city in the Quad City metropolitan area. It has a population of about 103,000 and covers an area of 61.5 square miles. Davenport has a mayor-council form of government. There are 37 parks and playgrounds in the area. Included in these are 4 public swimming pools, 3 public golf courses and a conservatory. The Duck Creek Parkway extends 9.5 miles through Davenport and Bettendorf, following a scenic green belt along the creek for which it is named.

BETTENDORF, IA Population 29,583. Incorporated in 1903, Bettendorf, is the fastest growing city in Iowa. It has twice doubled its population in the past decades. The city has attracted many new residents by virtue of new housing subdivisions built across the rolling landscape and its two community school districts, which are both known for their innovative educational programs. City government operates from a Municipal Center in the heart of downtown. The center includes City Hall and facilities for Police and fire. A new maintenance center houses public works, engineering, planning, zoning and street departments. The Bettendorf Parks and Recreation Department offers nationally-awarded programs for all ages. A fitness center includes: a jogging and walking track; tennis and volleyball courts; exercise areas; weight rooms; saunas and lounges. Fourteen well-maintained parks, a bicycle path, band shell and an excellent golf course add to the recreational facilities of the city. "Discover the River" festival on Memorial Day weekend and an all-day old fashioned Fourth of July celebration are two of the cities annual attractions. Bettendorf is cosmopolitan, though not a large city. Located in the metropolitan area of the Quad-Cities, it is a smaller community within a large population area and has the advantages of both.

ROCK ISLAND, ILLINOIS: Rock Island is a community of 42,000. The oldest of the Quad Cities, Rock Island has a rich and colorful history. Many of the city's older sections have been renovated. The

downtown has been re-christened "The District", short for The Rock Island Arts and Entertainment District. Anchored by the Casino Rock Island and the Quad City Arts Center, it combines specialty retailing and a vibrant night life. Nearby, the Broadway Neighborhood is emerging as one of the Midwest's premiere Victorian neighborhoods. It is separated from Davenport, Iowa by the Mississippi River. Rock Island was once the site of the one of the largest Indian settlements in North America, the western-most battle of the Revolutionary War and first railroad crossing of the Mississippi River. The Rock Island Public Library is the oldest public library in the State of Illinois. It is the home of two of the largest fraternal life insurance societies in the world: Modern Woodmen of America and Royal Neighbors of America. The Quad-City Conservation Alliance Expo Center, located near downtown Rock Island, is a 60,000 sq. ft. exhibition center that hosts trade shows and special events. It is the third largest exhibition center in Illinois and Iowa, and is managed by nonprofit organizations and volunteers with proceeds going to conservation projects in the Quad Cities. Rock Island has a variety of neighborhoods ranging from historic to new subdivisions. There are three excellent school systems and a park system that includes the 500-slip Sunset Marina.

MOLINE, ILLINOIS: Moline's population of about 44,000 represents a cross-section of nationalities. The city's riverfront offers scenic walks, bike trails, and picnic areas and is the site of a variety of events from June's Riverfest to the winter holiday season's glittering array of lights. The MARK of the Quad Cities, an 11,000 seat arena and civic center, and the Celebration Belle Riverboat complex at the west end of Ben Butterworth are also located along the river. Moline is also the headquarters of Deere and Company one of the largest farm equipment manufacturers in the world. The Quad City International Airport is located in Moline and offers commuter service to 3 international airports.

Employment

Employment Overview

Traditionally, Quad-Cities employment has been based in manufacturing. In recent years, however, the area employment picture has diversified, with growth in many different areas including facets of the computer industry, hospitality and gaming, finance and insurance.

Some of the area's largest employers and the number of employee, are:

1. Deere & Co., farm and industrial equipment manufacturing, Moline, 7,878
2. Rock Island Arsenal, U.S. Army installation and manufacturing center, 6,000
3. Genesis Medical Center, hospital, Davenport, 3,000

4. Aluminum Company of America (ALCOA), aluminum mill, Riverdale, Iowa, 2,600
5. Trinity Medical Center, medical center, 2,500
6. IBP, meat-processing firm, Joslin, Illinois, 2,500
7. Kraft Foods, meat processing, 1,890
8. Isle of Capri Casino, riverboat casino, 1,100
9. MidAmerican Energy, gas and electricity utility, 987
10. Case New Holland Global, combines, 900 (closing in 2004)
11. Illini Hospital, medical services, 850
12. Commonwealth Edison, nuclear generating plant, 762
13. Rhythm City Casino, gambling, 693
14. Von Maur, department store, 650
15. KONE Inc., manufacturing elevators, 600
16. Watts Trucking, disposal service, 560
17. Swiss Valley Farms, food/dairy processing, 550
18. APAC Teleservices, call center, 500
19. Sears Manufacturing, suspension seating, 420
20. WalMart/Sam's Club, discount store, 486
21. Augustana College, four-year liberal arts college, 460
22. Ameritech, telecommunications, 450
23. 3M, manufacturing/chemicals, 430
24. Thoms Proestler Co., wholesale food distribution, 438
25. Norcross Footwear Co., waterproof footwear, 398

LARGEST PRIVATE EMPLOYERS BY TYPE OF INDUSTRY:

TYPE INDUSTRY	LARGEST
QCA PRIVATE EMPLOYER	
Educational Services	Augustana College
Electric, gas, and Sanitary services	Commonwealth Edison
Food Stores	Eagle Food Centers
Business Services	Export Packaging Co., Inc.
Food and kindred products	Iowa Beef Processors
Industrial and Commercial Machinery	John Deere
Transportation Equipment	Pines Trailer
Business Services	Pro Staff
Health Services	Trinity Medical Centers

Types of jobs. As can be seen from the above "employment by industry," the service industry dominates the Quad Cities Area. The QCA is remaking itself as a hospitality center. There are also three gambling boats and one tourist boat operating in the area plus a number of upscale hotels and inns. Open and available manufacturing jobs are rare and require a focused effort.

The demand for skills is high as there are many people seeking highly compensated work. As illustrated above, it takes technical and professional skills to compete in the narrowly defined sectors. Work at minimum wage is always available in the service industry.

The unemployment rate was 4.3% for the year 2001 annual average.

For job hunting purposes when relocating, be sure to hand carry all employment records, documents, social security card, reference list, resumes, transcripts, certificates, licenses, OF612, SF 50, military ID card, and/or DD 214 Discharge Certificate, copy #4 with type of discharge. You will probably need these documents immediately, if searching for employment.

Government Employment

Rock Island Arsenal is not a single employer, but rather a collection of federal and private sector employers under the umbrella of the military community hosted by Rock Island Arsenal. The several employers on Arsenal Island come from different agencies and they hire using their own methods. There is no "one-stop" employment center on Arsenal Island. The following is a summary of employers on Rock Island Arsenal:

Army Organizations:

1) North Central Civilian Personnel Operations Center (NC CPOC), Rodman Avenue at Gillespie, Bldg. 102, 1st floor. (see website below) Rock Island Arsenal and other Army Tenant Activities announce their positions through this system.

2) Morale, Welfare and Recreation (MWR) is the Non-Appropriated Fund (NAF) employer. NAF means that program and payroll monies come from the operation of the service. Examples are the childcare center, Youth Services, cafeterias, Arsenal Club, fitness center, auto craft shop and outdoor recreation services. The office is located in Bldg. 110, 1st Floor, (309)782-1183. (see website below)

Defense Organizations

1) Defense Finance and Accounting Service (DFAS), Rodman Avenue, Bldg. 68, 1st floor, west lobby. The local hotline is (309)782-9015. (see website below)

2) Defense Reutilization and Marketing Office (DRMO), Bldg. 154, south side of island, (309)782-1618/1617. Hiring Announcements are through the Defense Reutilization Management Service (DRMS) Headquarters, Attn: DLA-DRMS-KS (Personnel), 74 Washington Avenue North Battle Creek, MI 49017, (616)961-4024/4945/7170 [DSN 932]. Automated FAX for hiring announcements (616)961-4903/4904 - dial from fax, follow the directions.

3) Defense Printing Service, Rodman Avenue, Bldg. 108, 2nd floor, (309)782-1700.

4) National Cemetery, Department of Veterans Affairs, Bldg. 118, Rodman Avenue, (309)782-2094/2093. Hiring announcements are through the VA Medical Center, ATTN: Human Resources Office, Highway 6 West, Iowa City, IA 52246, (319)338-0581 extension #7726.

5) Post Exchange (Army and Air Force Exchange Service [AAFES]), Bldg. 333, Rodman Avenue, (309)788-4940. Announcements and applications available at office anytime the store is open.

6) Commissary, Bldg. 334, Rodman Avenue, (309)782-4614. Announcements available at office anytime the store is open. Hiring procedures vary, so read the announcements and ask for assistance if needed. Will also accept baggers (for tips).

Contractors and Service Providers:

1) Rock Island Integrated Services (RIIS) is the public works contractor that specializes in major facilities repairs and maintenance, snow removal, and grass cutting. The RIIS offices are located on Gillespie Avenue south of Rodman Avenue in Building 102, basement of the west wing; phone (309)782-2074.

2) Rock Island Arsenal Federal Credit Union, Rodman Avenue, Bldg. 61, 1st floor. Hiring announcements are through the Rock Island Arsenal Federal Credit Union's Main Office, ATTN: Personnel Manager, 3509 Harrison Street, Davenport, IA 52806 (563)355-3800.

State Employment:

Illinois and Iowa state-employment information is best sought at the appropriate workforce development center (see below for information). Eligible service and prior-service clients might also seek the advice of their state Veterans' Employment Representatives at the workforce centers. Expect to compete using a traditional civil service examination system plus various application and testing procedures. Only after you are qualified and placed on state job registers can you determine what jobs are available by county.

County Employment:

1) Rock Island County. This county tends to hire by department and job leads are best done by contacting appropriate representatives. The County Clerks office is located at 1528 3rd Avenue, Rock Island, IL 61201, (309)793-3439. (see website below)

2) Scott County. This county tends to operate a centralized hiring system. The Personnel office is located in the basement of the courthouse, 416 West 4th Street, Davenport, IA 52801, (563)326-8767. (see website below)

Networking Opportunities

"Birds of a feather flock together - figure your feather and flock!" Only professionals doing work that you are interested in can give you the information you need. Learn about informational interviewing at the Employment Readiness Center, (309)782-0815.

Relocating can mean that a spouse may need to search for a new job in their career field. The key to finding the job that you want is to network and market your skills. Think of yourself as a small business. Your four business components are: production (goods, services and ideas); marketing; research and development; and finance.

You must have an objective and a search plan. Identify job sources: bulletin boards, agencies, papers, and hotlines (call them). You may want to consider an alternate occupation or job choice. Remember the job you want has to meet your needs and goals and has to be realistic for your target geographic area. The most important part is to

develop a network list. Visit the library to use reference sources and materials. Contact organizations and businesses for information on prerequisites and skills needed, wages, and benefits.

When you do get a job offer, you must assess whether it meets your objectives. Consider and negotiate the total compensation package, not just salary. Further research the company and position. In reasonable time, accept or decline the offer with a short reason for your decision.

Remember, persistence and dedication will get you the job you want!

Medical And Dental

Medical and Dental Overview

The U.S. Army Health Clinic, located in the basement of building 110, is staffed and equipped to promote and maintain the physical well being of active duty military of the Rock Island Arsenal, in accordance with AR40-5. In addition to this primary mission, the clinic will see dependents and retiree's of the area on a space and time available basis. All active duty family members, retirees, and retiree's family members must schedule an appointment with the appointment clerk in order to be seen by a clinic physician. To schedule an appointment call (309)782-0805 or DSN 793-0805.

Prescription renewals necessitate making an appointment for a physician's evaluation. Prescriptions will not be refilled or renewed without an appointment.

Dental care services are not available.

The local community offers easy accessibility to medical and dental care facilities.

Reference the appropriate Subject Areas below for more detailed information.

Medical Services/Directory - on Installation

Appointments are required for active duty dependents and retirees and their dependents. Active duty military requiring emergency care after hours and on weekends should report to the nearest hospital emergency facility. An emergency is defined as medical treatment necessary to prevent undue suffering, loss of limb or life, or when the urgency of the situation does not permit obtaining prior

authorization. All costs incurred will be paid by the MEDDAC Claims Section, Fort Knox, KY. Retiree/Dependent Health Care: Active duty family members may call the appointment line, 782-0805, beginning at 7:15. Appointments will be scheduled on a first-call, first-serve basis. Workload is prioritized daily by physicians based on the seriousness of the cases. When the Clinic must deny care to eligible personnel because of a temporary lack of capability; the priority system will be used. Care of dependents is subject to the availability of space and facilities and professional staff. Retired military should report to the nearest hospital or emergency care facility. After Duty Hours Medical Emergencies: Personnel residing in on-post quarters may request the Rock Island Arsenal Ambulance for medical emergencies by calling 911.

SERVICES UNAVAILABLE AT THE CLINIC ON INSTALLATION In-Depth specialty medical care in the following categories are not available on installation: Orthopedics (including emergency fracture care and casting); Ear, Nose and Throat; Obstetrics; Gynecology; Internal Medicine; Optometry (active duty only); Surgery; Urology; Neurology; Cardiology; Ophthalmology; and Pediatrics. Services at the clinic are limited to family practice medicine, general primary care problems and routine pediatrics. We have no in-patient capabilities. DENTAL CARE is not available on-post.

PHARMACY INFORMATION On-going psychiatric counseling and prescription of psychotropic drugs will not be provided except by permission of the Officer In Charge. The policies of the clinic pharmacy are dictated by the Pharmacy Dispensing Regulations of the Medical Activity at Fort Leonard Wood, Missouri. The following is required for all prescriptions filled by the pharmacists:

* A valid ID card for the individual whose name is on the prescription must be presented to the Pharmacist at the time the prescription is presented and picked up.

* Controlled drug prescription must be filled within 72 hrs of issuance. The pharmacy will not dispense more than one month's supply. Refills are not permitted. A prescription for a non-controlled drug should be filled within ten days.

* A notarized signature card must be kept on file for civilian physicians. If there is no signature card on file and the prescription is for a controlled drug, the pharmacy will not fill the prescription.

* Only prescriptions signed by the doctors can be filled. We cannot substitute a generic drug for a trade drug unless the physician authorizes it on the prescription form. Please ask your doctor to write "may substitute" on the prescription if he/she approves of the generic drug rather than the trade name drug.

* Clinic physicians will not substitute or rewrite outside prescriptions.

* Prescriptions cannot be phoned in; however, if your doctor wants to check on the availability of a drug he/she may call (309) 782-0801.

* The pharmacy will not fill ANY prescription which appears to be altered. Any altered prescription will be returned to the patient un-filled, and action for suspension of medical privileges will be taken.

Health Benefits Advisor, Wellness, and CHAMPUS/TRICARE Programs

The Defense Enrollment Eligibility Reporting System (DEERS) currently is the central source for personnel information from the DoD Personnel community and for determining DoD medical benefits eligibility. DEERS will act as the central repository for all enrollment and eligibility information. Each beneficiary's enrollment history must be made available for current and prior enrollment periods. The beneficiary's enrollment or eligibility will automatically be terminated by DEERS when, for example, eligibility is lost due to the sponsor's separation from the Uniformed Services. All dependents must be enrolled in the DEERS system.

TRICARE - is the Military Health Plan for active duty and retired members of the uniformed services, their families and survivors. All active duty service members must enroll in TRICARE PRIME. TRICARE offers three-health benefit options so you can choose the one that best fits your needs.

The three options are - TRICARE Prime, TRICARE Extra, and TRICARE Standard. TRICARE standard is the traditional CHAMPUS benefits program and remains the same.

Both TRICARE Prime and TRICARE Extra are part of the TRICARE managed care program provided by Humana Military Health Care Services for TRICARE Heartland Region 5 under a contract awarded by the DOD. Currently, Humana is working hard in order to establish network providers for this area. Currently, TRICARE Prime is not available in the Quad City area.

For further clarification contact your Health Benefits Advisor, Judith Green at (309)782-0800 or DSN 793-0800 and schedule an appointment for counseling. Supplemental insurance is available through certain civilian organizations at an additional cost. See your Health Benefits Advisor for a list of the different supplemental insurance plans.

Dental Services/Directory - on Installation

For more information on this subject:
United Concordia Companies, Inc.
<http://www.ucci.com>

There are no dental services available on installation. Dental care is only available at OFF-POST facilities. If you have questions regarding the Family Member Dental Plan (FMDP), please contact Judith Green at (309)782-0800 or DSN 793-0800 or call United Concordia's toll-free Customer Service Department M-F, 8-8, EST at 1-800-866-8499 or at their website located in the overview web address.

Family Member Dental Plan

Family Member Dental Plan (FMDP) was established for the family members of active duty members of the seven Uniformed Services (Army, Air Force, Coast Guard, Marine Corps, Navy, National Oceanic and Atmospheric Administration and Public Health Service). To be eligible for the FMDP the sponsor must be on active duty for more than 30 consecutive days and must intend to remain on active duty for no less than 24 months, unless returning from outside the Continental United States. Dependents must receive dental services in the United States, the District of Columbia, Canada, Guam, the U.S. Virgin Islands, or Puerto Rico. For families returning from overseas the following conditions must be met: the FMDP was not offered overseas; enrollee must have resided with the sponsor at the overseas location; sponsor must have at least 12 months remaining on active duty service commitment; and sponsor must complete the enrollment election within 30 days of signing in at the new duty station.

DEPENDENTS DENTAL PLAN COVERS:

Diagnostic and Preventive Services (routine oral exams and x-rays, cleanings, fluoride treatments) will be paid at 100 percent of United Concordia's allowance. Sealants and Restorative Services 80

percent paid and your cost is 20 percent. Other Restorative Services (crowns, cast restoration, onlays, etc.) and removable or fixed prosthodontics and repair are paid at 50 percent and your cost will be 50 percent. Endodontic Services, Oral Surgery, and Periodontal Services are paid at 60 percent and you pay 40 percent.

Specific details of coverage information is available by calling DDP Delta at: (916) 381-9368 (West of Mississippi) or (810) 489-2240 (East of Mississippi) or contacting your Health Benefits Advisor, Judy Green at (309)782-0800. It is your responsibility to ask the Dental Office if they accept Tricare - (FMDP) for Military Dependents prior to making your appointment. Military Service members are required to use dental insurance which covers routine care for family members.

The TRICARE Family Member Dental Plan (TFMDP) is a comprehensive and affordable dental plan available to eligible spouses and children of active duty Uniformed Service members. The TFMDP has cost shares, benefit maximums and coverage limitations similar to typical group dental insurance plans. To be eligible for TFMDP enrollment, sponsors must intend to remain on active duty for at least 24 months and this commitment must be confirmed by their parent Uniformed Service.

Enrollment and/or changes to enrollment can be accomplished by filling out a DD Form 2494 or 2494-1 at the sponsor's servicing personnel office. Please read these forms carefully as they provide detailed information on enrollment options, limitations and when TFMDP coverage begins. Upon enrollment, the sponsor must pay the monthly premium through their Uniformed Services payroll account - the Government pays 60% of monthly premiums. Before providing care to family members, some dental providers may ask to see a copy of the sponsor's Leave and Earnings Statement showing the dental plan payroll deduction. Coverage is worldwide and portable between assignments. United Concordia Companies, Inc. (UCCI) administers the TFMDP. Detailed TFMDP coverage and enrollment information can be found in the TFMDP benefit booklet. For more information about the program, visit UCCI's web site or contact them at 1-800-866-8499 for information on the TFMDP in the United States, Canada, Guam, Puerto Rico and the U.S. Virgin Islands, or 1-717-975-5017 (toll call)

for information on the TFMDP in all other locations. In overseas locations, enrolled sponsors and family members must contact their servicing overseas dental treatment facility and/or Overseas Lead Agent before seeking treatment from host-nation dental providers, except for emergency care.

Housing

Housing Overview

Rock Island Arsenal has limited housing available on-post. Therefore, many families live in the surrounding communities in both Illinois and Iowa. Contact the RIA Housing Office, (309)782-2376 or DSN 793-2376, for an application and more information regarding on-post housing.

The appropriate Subject Areas below contain more detailed information.

Housing Allowances

Housing allowance information is available from the Per Diem, Travel and Transportation Allowance Committee's Web Site:

Relocation Services

Relocation Services Overview

Army Community Service Relocation Readiness Program offers services for newly arriving and departing soldiers and their family members. The relocation assistance program and Lending Closet are designed to make transition into our community an easier, more pleasant experience.

The Rock Island Arsenal Relocation Readiness Program is located in Army Community Service, bldg. 110, east wing, 1st floor. Hours of operation are 8 a.m. to 4:30 p.m. The POC for this program is Lisa De Bates, telephone number is 309-782-0829, commercial, or DSN 793-0829. The email address is DeBatesL@ria.army.mil.

Services offered include: in and out processing, SITES booklets on military installations worldwide, Rock Island Arsenal Welcome Packets, world-wide welcome packet lending library, reference materials, and the household goods lending closet.

The Lending Closet provides essential items primarily for the PCSing family while they are awaiting the arrival of their household goods. Items provided include: pots and pans, dishes, silverware, irons, ironing boards, toasters, coffee pots, futons, linens, vacuums, steam cleaners, etc. Also, available are porta-cribs, high chairs, infant and toddler car seats, baby swings, playpens and safety gates.

The Relocation Readiness Program can access information on your next duty station through SITES (Standard Installation Topic Exchange System), the world-wide welcome packet lending library, and get you in touch with your gaining installation. Your spouse or family member can begin working with the Family Member Employment Assistance Program to develop a resume, learn job hunting tips, and develop job leads at your next assignment. Contact Jon Cook at 309-782-0815 or DSN 793-0815 for more information regarding the Family Member Employment Assistance Program (FMEAP).

MANAGER: Lisa De Bates, building 110, 1st floor, east wing, Rock Island Arsenal (309)782-0829 or DSN 793-0829.

The Relocation Readiness Program is an excellent place to start planning and preparing for your

upcoming move. There are several resources available to help you manage the physical and emotional aspects associated with your move.

The SITES Program provides state-of-the-art information on more than 460 military installations worldwide. This information is updated quarterly. A printed copy of this information is available for any military installation stateside or overseas.

RIA Welcome Packets provide information about Rock Island Arsenal and the Quad Cities area. Newcomers' Welcome Briefings are given to civilian, newly arrived soldiers and family members. The Lending Locker provides essential non-furniture household items including: cots and futons; towels and bedding; small appliances; car seats; baby beds; highchairs; playpens; flatware and cooking utensils; dishes; fans; vacuum cleaners; hot plates; pots and pans; rug shampooers and vacuums. These items are offered to soldiers, family members, retirees and DA civilians living within a 40 mile radius of Rock Island Arsenal.

Trained Youth Sponsors are available to correspond with your child before arrival at RIA. This program is open to all school-aged youth. See contact information below.

In Transit Emergencies

An emergency in-transit to a new duty station can happen to anyone. You can be prepared to handle unforeseen problems along the way with a little pre-move planning.

PRE-MOVE PREPARATION:

- *Clearly mark a map of your travel route and plans
- *Make hotel reservations two to four weeks in advance
- *Have your car serviced by your own reliable mechanic
- *Make sure your tires are properly inflated
- *Carry a dependable spare tire and tools to change it
- *Check oil, antifreeze and windshield wiper fluid levels
- *Check to be sure that the headlights, taillights and windshield wipers are in proper working order
- *Know where to obtain emergency care along the route, prior to departure
- *Carry the telephone number for the highway patrol
- *Review the route with a passenger. In case of unexpected diversions, he or she can help the driver

ITEMS TO TAKE WITH YOU

- *Telephone numbers and directions for the hotels where you will be staying
- *Automobile registration card and insurance card
- *Contact number for the insurance agent
- *Spare set of car keys
- *Battery jumper cables and flares for emergencies
- *Proof of medical, auto and household goods insurance
- *Telephone book
- *All important documents including marriage certificate, birth certificate, immunizations record,

assignment orders, leave form, passport, proof of citizenship, and any other pertinent information.

*Telephone number of your sponsor or unit commander

TIPS FOR THE ROAD

- *Plan a realistic travel schedule
- *Alternate driver should rest as much as possible
- *Pack valuable items inside the trunk during the day and take them inside the hotel at night
- *Use well-traveled routes and safe neighborhoods
- *Don't overload the car and obstruct your view

ARMY EMERGENCY RELIEF: If you do have an emergency in-transit, you may contact the nearest military facility or the local American Red Cross to apply for an Army Emergency Relief loan. Army Emergency Relief loans or grants can be approved to help with emergency financial needs for food, rent, utilities, transportation, vehicle repair, funeral expenses, medical/dental expenses and personal needs when pay is delayed or stolen. You may apply for AER assistance at any installation. If there is no AER Section, you may go to any of the following: American Red Cross Chapter, Air Force Aid Society, or Navy Relief Society. All branches of service have inter-service agreements to assist any military individual. To apply on the Rock Island Arsenal contact Penny Dixon, Army Community Service, building 110, 1st floor, east wing (309)782-0828 or DSN 793-0828. The American Red Cross - Quad Cities Chapter is located at 400 16th Street, Rock Island, Illinois, (309)794-9030.

AER ELIGIBILITY REQUIREMENTS: all active duty soldiers and/or their dependents; all retired soldiers and/or their dependents; widows/widower/orphans of the above; reservists on extended active duty for 30 days or longer. You may qualify for an interest-free loan, a grant (if repayment of loan will cause undue hardship), or part loan and part grant. AER cannot help pay for nonessentials; finance ordinary leave or vacation; pay fines or legal expenses; help liquidate or consolidate debt; assist with house purchase or home improvements; help purchase, rent or lease a vehicle; or cover bad checks or pay credit card bills. Bring the following items when applying for assistance: military ID card, leave and earning statement, leave/PCS orders, and substantiating documents (car repair estimate, rental agreement, utility bills, etc.) If your spouse is applying for assistance, he/she should bring Power of Attorney, military ID card and all substantiating documents.

Financial Preparedness

A PCS move can be one of the most exciting and rewarding parts of a military career: new places, new faces and new challenges. Any PCS move is going to cost money so it is important to PLAN AHEAD to avoid financial surprises.

The Consumer Affairs and Financial Assistance Program (CAFAP) is offered through the Army Community Service Office to help with all aspects of financial management and control. The CAFAP Manager is Jon Cook, located in building 110, 1st floor, east wing, (309)782-0815/0816 or DSN 793-0815/0816. Army Emergency Relief (AER) loans and grants may also be approved for emergencies. The POC is Penny Dixon, building 110, 1st floor, east wing, (309)782-0828 or DSN 793-0828. It is highly recommended that you consult with the CAFAP manager and RAP manager while planning your move.

BEFORE YOU GO: Start saving now. Experts say 3-6 months pay in reserve will amply cover emergencies. Get a sponsor at the new post. He or she will probably be able to answer a lot of the questions. If your spouse needs a new job, Family Member Employment Assistance Program (FMEAP) is available through Army Community Service. The FMEAP Manager is Jon Cook who is located in building 110, 1st floor, east wing or at (309)782-0815/0816. Find out your new mailing address. Even if it is only your new unit or a Postal Service Box, you'll need at least a temporary address. Send out change of address letters (credit card companies, loan companies, magazines, banks, anyone who owes you money or a deposit refund, insurance companies). Go through your address book, your bills and financial papers from the past couple of months. Make out a list of company addresses, telephone and account numbers, etc. Leave a forwarding address with the post office or Postal Service Center, as well as with your old unit. Discard household goods you no longer want or need. You'll only have to unpack them at the other end, and if you are overweight, you'll have to pay for additional shipping. Have a garage sale! Contact the housing office for temporary lodging after you clear out current quarters and before you actually depart for your new station. If you are renting an apartment or house off-post, arrange for an inspection after your household goods are removed. Get an agreement in writing that any damage or deposit money will be refunded.

QUESTIONS TO ASK YOUR SPONSOR:

*What is the general cost-of-living at the new post?

*Will my allowances (such as BAQ and VHA) go up? Down?

*Should I live on-post or off-post?

*What about temporary lodging on the post (upon arrival)?

*What is the housing market like? Schools? Shopping? Transportation?

*What's the weather like? (Do we need special clothes?)

*Is there a utility deposit waiver program?

*What medical facilities are available?

*What new laws, taxes or other requirements of this new area you should know?

*What about your new job? Hours? Weekdays only? Much TDY? Special uniforms?

*Will your spouse be able to get a job in the area? Will that require special transportation or child care considerations?

Whenever you PCS, you are going to be faced with some unusual expenses like those listed as follows:

* Travel cost: tickets, gasoline, food and lodging, tolls, car tune-up, new tires before the trip, emergency repairs along the way.

* Deposits: damage and rent deposit on new apartments, utilities, telephone, and cable.

* Closing costs if buying or selling a new house.

* Temporary lodging at the old post and at the new post.

* Food: restocking the refrigerator and food pantry.

* Household incidentals: light bulbs, toilet paper, soaps, cleaning supplies and equipment.

* Curtains.

OTHER FINANCIAL IMPACTS: There may be other financial impacts of a PCS move. Here are some examples:

* Do we depend on the money your spouse gets from his/her job? How long will it be before he/she can

get a new job? Will it pay well? We may have to live on less money for a couple of months, or more.

- * Higher cost-of-living. This includes not only higher housing and food costs, but also things like having to drive farther to work, child care costs, school costs, etc.

- * Lower VHA or no VHA

WHERE THE MONEY MIGHT COME FROM:

- * Dislocation Allowance: two months' BAQ. (You will not receive this until well after you arrive at your new post - don't count on it being there when you need to pay deposits on a new apartment, or whatever).

- * Travel pay: This is mileage related, and is usually not paid until after you check in to the new post.

- * Income Tax Deduction: Contact Army Legal Assistance and Army Community Service.

- * Garage sale before you move.

- * Refunds on rent and damage deposits from your old home or apartment. Again, it may take a couple of months to get these.

- * Lower cost of living or increased VHA.

- * Interest on advance base pay.

CAUTION: There are a variety of special pay and entitlement programs available for PCS relocation. Be sure you understand pay back terms on any advance pays or allowances you receive. **DON'T TAKE OR SPEND ADVANCE PAY UNLESS IT IS ABSOLUTELY ESSENTIAL.** You will pay it back by monthly deductions. You will have less to live on every month until it's all paid back. Be even more cautious of considering a casual pay.

Also refer to Cost of Living Allowance, Temporary Living Allowance; average costs for housing, rentals and purchases; average costs for temporary housing, minimum car insurance coverage requirements; average monthly utility payments.

Exceptional Family Member Program (EFMP)

The Exceptional Family Member Program (EFMP) was developed by the Army to provide a comprehensive, multi-disciplinary approach for medical, educational, community support, and

personal services for family members. An Exceptional Family Member (EFM) is a soldier's family member, a spouse or children, with any physical, emotional developmental or intellectual disability that require special treatment, therapy, education, training, or counseling. It is **MANDATORY** to enroll in this program if you have a family member with special needs. Soldiers are responsible for keeping the medical and/or special education needs documentation current, updating as EFM conditions change or every 3 years, whichever comes first.

Information concerning enrollment in the EFMP or any of the data used in the program is not made available to selection boards and will not adversely affect selection for promotion, schools, or assignment. Enrollment allows Army personnel agencies to consider the special needs of exceptional family members in the assignment process. When possible, soldiers are assigned to an area where the medical and special education needs of their exceptional family member can be met.

The EFMP Coordinator for the Rock Island Arsenal is Diana DeMeyer, building 110, 1st floor, east wing. She can be contacted at (309)782-3049 or DSN 793-3049. She can provide supportive assistance and referrals to local community services for the EFM. There are several local resources that accommodate special needs family members.

Household Goods In-Bound Shipments

Contact the Transportation Office as soon as possible after your arrival to your new duty station. The Transportation Office will need a telephone number to contact you and a delivery address as soon as you have one. Rock Island Arsenal's Transportation Office is located in building 102, second floor and can be reached at (309)782-1353 or DSN 793-1353. Just in case your paperwork from your losing command has not arrived, bring a copy of your

assignment orders to the Transportation Office. For your own use, keep a copy of your inventory to compare it with your shipment of household goods when they arrive.

Name: Inbound Household Goods
Address: Bldg. 102, 2nd Floor, NW corner
Phone: 309-782-1353
FAX: 309-786-8842
DSN Phone: 793-1353

Household Goods Out-Bound Shipments

Contact the Transportation Office, (309)782-1360, at least 10 days to two weeks prior to the date of required pick-up of your household goods. The Transportation Office is located building 102, second floor. You will need to produce a copy of your PCS orders to make arrangements for shipment.

Refer to the Subject Area, Before You Move, in the Category, Survival Tips for First Termers, for detailed information.

Name: Outbound Household Goods
Address: Bldg. 102, 2nd Floor, NW Corner

DSN Phone: 793-1360

Household Goods Claims

If your property has been lost or damaged during shipment, contact the Transportation Office, (309)782-1353 or DSN 793-1353, or the Legal Office

(309)782-8439 or DSN 793-8439, to file a claim for household goods damage.

Household Goods Weight Allowances

The following table lists the weight allowances which are the maximum weight that can be moved at government expense under the Joint Federal Travel. YOU are responsible for staying within your weight allowance. If your household goods are over the maximum weight, you are responsible for paying for all the excess fees connected with the excess weight.

You should have an estimate of how much your household goods weigh before visiting your transportation office. The transportation office will want to know an estimate of how much weight you will be shipping.

A fairly easy method for estimating the weight of your household goods is to allow 1,500 pounds per room, excluding baths and storage areas, plus 20 percent.

To double check the estimated weight, you can count the number of items on the inventory form used by the carrier and then multiply the number by 40 pounds.

If you think your shipment of household goods will exceed the maximum allowance, contact the transportation office for an estimate of the costs associated with the extra weight. You will be responsible for paying those charges.

The Transportation Office is located on the second floor of building 102 or call (309)782-1360 or DSN 793-1360.

POV In-Bound Shipments

For Private Owner Vehicle (POV) Shipments contact (309)782-1353 in the Transportation Office located in Bldg. 102, 2nd Floor, NW Corner to obtain the telephone number or web address to contact the port that your POV will be returning to. When you pick up your POV at the port, you will need your ID, one copy of orders, 788 Inspection Sheet, a complete set of keys and a signed Power of Attorney if any person besides the service member is picking up the vehicle (including the spouse). It is best to call ahead because the process can take up to one hour to complete.

POV Out-Bound Shipments

Your vehicle must be clean and have no more than 1/4 tank of gas. No personal belongings or flammable materials may be in the car. You will need six copies of your orders, the car title and/or registration, a letter from leasing company (if vehicle is leased) and your ID. This process can take 30 minutes to one hour and you must call ahead. Contact the Transportation Office at (309)782-1360 located in building 102, 2nd Floor, NW Corner for more information on shipping your POV.

POV Claims

To file for POV claims, you must write new damage on 788 form. Maximum amount paid by on-site claim is \$500. If service member denies \$500 claim,

he/she can file a claim at next base or any military base. A claim could also be filed with the shipping company. POV Claims forms and instructions for each branch of service may be obtained from the RIA Claims Office, SOSRI-CG, 309-782-8443.

Pet Boarding/Kennels

If you are traveling with a pet, you must make pet boarding and/or transportation arrangements prior to arriving at your destination. Pet boarding kennels are not available on this installation, however, there are several available in the surrounding communities. See the yellow pages in the local telephone book for a listing of kennels in the Quad City area or call the Relocation Program Manager, (309)782-0829 or DSN 793-0829.

Average daily fees: canines \$5-\$12.50 depending on the weight of the dog; cats \$5-\$6.50; and fees vary for other animals. Vaccination records are required and must be up to date. Most kennels require dogs to have a kennel cough vaccination and charge an additional fee. Some kennels offer transportation to and from the airport. For additional information and exact charges, contact the individual boarding facilities.

Pet Licensing

Pet restraint and leash laws are enforced in each of the local communities. Animals are required to be licensed and vaccinated against rabies. Dogs must have proof of rabies vaccinations to obtain license.

Impoundment fees are charged by most communities if your pet is picked up as a stray. There often is an additional charge for shots if you cannot provide proof of vaccination when picking up your pet from impoundment. Specific ordinances regulating cats and exotic animals vary from city to city.

See record listings below for information on individual cities.

Name: Scott County, Iowa
Comments: Unincorporated areas do not require licenses, but your dog must wear proof of current rabies vaccination at all times. If you live in an incorporated area, contact your specific city hall for more information.

Pet Quarantines

There are no pet quarantines for pets arriving from overseas locations as long as the pet is disease free and has a valid veterinarian's certificate of rabies inoculations.

For information about pet quarantines for overseas relocation contact the Transportation Office at (309)782-1360 or DSN 793-1360.

Please cross reference this Category, Subject Area PET TRANSPORTATION.

Veterinary Services

Rock Island Arsenal does not have an on-site veterinary clinic. However, the U.S. Army Veterinary personnel conduct two vaccination clinics per year. You may bring your pet for annual vaccinations, fecal testing for internal parasites, heartworm testing and general health exams. Active duty military, active duty reservists, retirees, and family members with valid identification cards are eligible to utilize this service. For further information contact the Great

Lakes Veterinary Treatment Facility at (847)688-5740 or DSN 792-5740.

Refer to the local telephone book for a complete listing of veterinary services in this area.

Pet Transportation

Family pets may also experience the stress of moving and are very sensitive to changes in their environment. The following tips for moving with your pets may make the experience less traumatic for both of you:

*Some pets are not adaptable to travel. For example, it may be better to sell your fish and/or aquarium and start over at your new destination.

*Pets can sense stress causing them to become alarmed, run away, wetting on the floors, act unruly, etc. It is important to take them for walks, keep them comfortable, and spend time with them. You may want to board them during packing and moving days.

*Try to keep the pet's feeding schedule normal. Make sure they have their favorite toys or blankets during the trip. If flying, line their cages with old blankets or towels that have your scent on them.

*Contact your veterinarian for a complete checkup and certification of health. All the vaccinations should be up to date. CARRY THE PAPERWORK WITH YOU. If your pet has any prescribed medications, make sure you have an abundant supply to keep the pet comfortable. Your veterinarian may recommend a tranquilizer for traveling.

*Your pet should have identification tags on his/her collar including the pet's name, your name, address and telephone number.

*If your pet is traveling with you by car, be sure that you have plenty of water and food. Be careful leaving your pet alone in the car due to the dangers of too hot or cold cars. (It is illegal in some states to leave your pet alone in a car) Give your pet plenty of time to exercise when you stop along the way.

*Make sure you call ahead to find accommodations for your pet and family because not all hotels welcome pets. Larger hotels may have kennels to accommodate your pet.

*If your pet will be traveling by plane, check with the airline ahead of time to verify all regulations and specifications for pet carrier size and construction.

New airline regulations may prohibit pets from traveling when temperature reaches 85 degrees or higher.

*Your favorite kennel may be able to arrange your animal's transportation to your new destination. This would allow you to board your pet during packing and moving days as well as transportation.

CARRIERS-Must be big enough to allow your pet to have room to turn freely while in a standing position and lie down in a natural position. The carrier must have a solid bottom to avoid leakage and plenty of ventilation. Airlines sell carriers that meet all requirements and are generally cheaper than a pet store. A container of water should be secured inside of the carrier and positioned so that it can be filled without opening the cage. You may use a drip bottle instead of an open bowl. Clearly mark your carrier in letters at least 1" high "LIVE ANIMALS" and "THIS END UP". Make sure your identification and destination is secured to the outside of the carrier.

CAR TRAVEL WITH PETS

*Ask your vet to recommend a tranquilizer for the travel time.

*Make sure that any prescribed medications are in abundant supply in order to keep the pet comfortable.

*Motion sickness pills usually need to be given 30 minutes before the trip starts.

*The first signs of car sickness are drooling, followed by restlessness and anxiety. Vomiting may occur. If you stop the car and let your dog out for some exercise, he'll feel better.

*Cats are usually frightened of car travel and may be more comfortable in a carrier.

*Portable kennels can be handy for overnight trips in a motel or hotel when you go out for dinner.

*Overnight accommodations are more involved if you're traveling with a pet. Auto clubs and hotel/motel guides provide information on restrictions.

FEEDING AND CARE OF PET WHILE TRAVELING

*Feed your pet only once a day, preferably in the evening, and try to keep to established routines for feeding and walking.

*Feed pets small amounts of food while traveling.

*Take water for your pet from home to start the trip. A change to new water should be gradual to avoid upset systems and nausea.

*Pets need special care, and even some restraints, while you travel.

*Trim your pet's nails to prevent damage to car upholstery.

*Keep your pet out of restaurants.

*Try not to leave a pet in a parked car; if you must, park the car in the shade and open all the windows an inch or two to get cross ventilation.

*Carry a room spray deodorant or air freshener. This can be important if your pet is in a motel overnight.

*Never put a pet in the trunk of a car - the temperature becomes extreme and the carbon monoxide will poison it.

TRAVELING WITH PETS BY PLANE

*Small pets (less than 8" tall) can be taken in the passenger compartment with you, as long as they are in a carry-on kennel that fits under the passengers seat in front of you.

*Properly harnessed seeing eye dogs can travel at no extra charge in the passengers' cabin at the master's feet. However, most animals don't fall into these categories and must go in cargo.

*Most airlines only allow a limited number of pets in cargo per flight. Call at least three days before the flight to make arrangements. New airline regulations may also prevent your pet from traveling if it is 85 degrees or higher.

*If you have to change planes, you - not the airline - are responsible for seeing that the pet is transferred at the connecting point.

*Use a regulation airline kennel for your pet. You can buy these at most exchanges, from the airline, or from someone who has recently moved. Have your pet get used to it in advance.

*Be sure to have proper identification - your name and address - on the outside.

*Feed your pet no less than five hours before flight time. Give your pet a drink of water within two hours of takeoff.

*If your flight is more than twelve hours long for young pets, or 24 hours for adult pets, you must send food with your pet. Federal law requires freight to provide water every twelve hours.

*Health certificates are a must for a pet on commercial travel. They are only good for ten days.

*If pets are being sent on air freight alone, you'll be expected to sign an air way bill, pay in advance, and make all arrangements.

*If you can't ship your pet with you, local kennels often provide boarding and shipping services so your pet can join you later.

INTERNATIONALLY

Taking your pet with you when going abroad may be difficult. Most countries have strict leash laws and may require a muzzle at all times. Kennels for travel with pets are not as common and are very expensive. Also, many countries require quarantines for pets upon arrival, often for as long as several months. When returning to the U.S., dogs will need rabies and other shots within a set time before re-entry.

The Transportation Office, (309)782-1360 or DSN 793-1360, can advise you on shipping your pet to overseas locations and information on quarantines.

Comments: Effective October 1, 2001, all military service members, regardless of branch of service, will report to Headquarters Support Troop in Bldg. 110, 1st Floor. A Rock Island Arsenal In-Processing Worksheet will be distributed to the service member. This Worksheet is to In-Process Rock Island Arsenal. Your unit may have additional in-processing requirements.

Separation Procedures

The Rock Island Arsenal does not have a Transition Assistance Office (TAO) or Alumni Program (ACAP). The Employment Resource Center can

assist with resume, job search, and interview preparation. Contact Jon Cook at (309)782-0815 or DSN 793-0815.

Billeting

The Rock Island Arsenal has limited options and space for temporary lodging. RIA has one Transient/Visiting Officer Quarters available. Contact the Transient Office at (309)782-0833 or DSN 793-0833 to make reservations. Priority is given to TDY travelers and PCS military.

There are several hotels in the Quad City area if needed. Reference the local telephone book for a complete listing. The average rate ranges from \$50 to \$90 per night.

Army Community Service does operate a Lending Locker that stocks sheets, blankets, pillows, etc. that can be borrowed for two weeks, longer if necessary. For more information, contact Lisa DeBates, Relocation Program Manager, building 110, 1st floor, east wing or call (309)782-0829 or DSN 793-0829.

Unaccompanied PCS

If you are assigned to an unaccompanied tour or if your family is staying in another location, make sure the whole family understands the reason for the temporary separation. Hold a family meeting to discuss any concerns and answer questions they may have about the separation. Help the family make a calendar to record your departure date, return date, birthdays, anniversaries, special days, etc. Take one copy with you and leave one with your family. Be certain that your spouse is aware of your financial system; bills, checkbook, insurance, lock boxes, etc. Be sure that your spouse knows where to locate important documents; insurance papers, titles, wills, tax information, marriage and birth certificates, etc. It is important to verify that the checking and savings accounts are in both spouses' names. Your spouse will also need a power of attorney in your absence. All eligible family members need to be registered in the DEERS program and have valid ID cards. Check

automobiles to make certain that no repairs or maintenance is required. Also check to make sure that all registrations and licenses are current and that they are properly registered on the installation with current stickers.

Support Services

Support Services Overview

Rock Island Arsenal and the surrounding communities offer a wide variety of support services, including educational and informational services, to assist you with any concerns or problems. See below for more details.

Family Centers

Army Community Service (ACS) is an Army-wide program which provides information, assistance and guidance to members of the Army community in meeting personal and family issues. ACS makes referrals as needed to other military and civilian agencies. ACS is located in building 110, 1st floor, east wing or at (309)782-0829 or DSN 793-0829.

Information and Referral

The Rock Island Arsenal has contracted United Way's InfoLINK to provide Information & Referral Services for active duty military, DoD civilian employees, retired military, and family members. Through an extensive database, this program can provide information on both installation and community agencies and refer clients to proper resources for assistance. The POC is Lisa DeBates, contractor, Information & Referral Program Manager (I&R), building 110, 1st floor, east wing, email DebatesL@ria.army.mil, or call (309)782-0829 or DSN 793-0829.

Financial Assistance Programs

Army Community Service offers the Financial Readiness Program to assist military personnel (active, reservists, guardsmen, and retired, and their family members) and Department of Defense civilians in personal financial matters. This program attempts to help those who are having financial difficulty to establish a workable budget; and to assist those with consumer questions. Additionally, topics assistance include scholarship searches, retirement planning and tax filing assistance. The POC is Jon Cook, contractor, located in building 110, 1st floor, east wing, email cookj2@ria.army.mil or at (309)782-0815/0816 or DSN 793-0815/0816.

Emergency Assistance

There are several agencies in the local community that can assist in emergency situations. Active duty military may qualify for an Army Emergency Relief (AER) loan or grant. Contact Penny Dixon at (309)782-0828 or DSN 793-0828 for eligibility guidelines. The American Red Cross may also process AER loans, see below for contact information. For a list of agencies that may assist you with specific emergencies contact Lisa De Bates, contractor, RIA Information & Referral Program Manager, at (309)782-0829 or DSN 793-0829.

Family Advocacy

The Family Advocacy Program's (FAP) primary goal is to prevent abuse by providing a variety of services, support, education and resources to strengthen military families and enhance resiliency. It is a proactive program concentrating on prevention and intervention. Programs, activities, and services include: Stress Management Workshops; Parenting Classes; Relationship Building & Marriage Enrichment Workshops; Crisis Intervention; Respite Child Care; and the New Parent Program with home visits and a playgroup.

The FAP program has a library full of books and videos on various subjects including parenting, blended families, special needs children, pregnancy, and much more. These resources are available for check-out through the ACS office located in Building 110, 1st floor, east wing.

Single Member Services

TIPS FOR SINGLE SOLDIERS The key to success as a single soldier is involvement in your environment, both on post and in your community. You might consider volunteering or coaching youth sports activities. Contact the Installation Volunteer Coordinator, Kim Congelton, contractor, at (309) 782-0831, for information on volunteer opportunities in your area of special interest. Further your education by enrolling in college classes or self-interest classes such as arts and crafts. Take advantage of on/off post recreational activities. Visit the physical fitness centers, join a sports team in your unit or in the community, participate in outdoor recreational activities, or visit the library. Attend community council meetings. Voice your opinion. Contribute to making things better for everyone. Initiate; don't wait for opportunities to come to you.

The Better Opportunities for Single Soldiers (BOSS) Program is available for single military members. Contact Special Events at 309-782-5890/5878 for more information.

Please reference Local Community, Recreational Opportunities Overview; and Local Community, Overview; and Teen Services, Things to Do, Clubs and Social/Recreation & Sports for a complete listing of activities and places of interest to a single soldier.

Drug and Alcohol

EMPLOYEE ASSISTANCE PROGRAM (EAP) SERVICES:

No one gets through life without problems. Tragedy, disappointments or losses and unresolved conflicts with others can affect a person's quality of life, job performance, attendance and physical/emotional health. The EAP services can assist military and civilian personnel and families in dealing with the problems more effectively. Our Master's degree level professional staff will provide free, confidential assistance.

CONFIDENTIALITY:

Strict confidentiality is maintained on client identity and any information that is shared within the assessment, referral, and follow-up sessions. In order for any information, written or verbal, to be released to a supervisor or others, the client must agree to the release of that information and sign a written consent form.

Due to professional obligation there are three exceptions to this policy: if an individual is threatening to harm themselves, harm others, or suspected child abuse. Under these circumstances, information is released to appropriate resources on a need to know basis. Military personnel are advised to seek additional information on pertinent regulations governing release of information.

EMPLOYEE, MILITARY AND FAMILY MEMBER SERVICES:

- Strict confidentiality is maintained on client
- Motivation and short term problem solving
- Referrals, as needed, for appropriate treatment and assistance
- Follow-up sessions to determine progress

CHEMICAL ABUSE/DEPENDENCE SCREENING AND REFERRAL

- Identify life consequences resulting from the use and abuse of alcohol/drugs
- Explore options regarding education and referral for treatment
- Skill development
- Liaison between treatment and workplace
- Family member education and assistance
- Consultation for concerned others
- Maintenance for recovery

PATRONAGE ELIGIBILITY:

You are eligible to patronize our facility if you are one of the following: Active duty military and family members. Retired Military, National Guard, Reserves and family members; Arsenal Island civilian employees and family members (with the exception of DFAS). Family members as established IAW AR 640-2 lawful spouse children under the age of 21 and married children over the age of 21 to the age of 23 enrolled full-time in an institute of higher learning, as long as they remain unmarried and dependent upon the sponsor for over 50% of their support.

Child Care Programs - on Installation

The Rock Island Arsenal (RIA) Child Development Services, a certified Department of Defense child care program provides exceptional child care for children ages 6 wks-5 yrs. Center- based programs and Family Child Care options are offered. The center-based programs are accredited by the National Academy for the Education of Young Children. Family Child Care (FCC) offers a safe, approved environment in a small home-like atmosphere. Meals and snacks are provided daily and are an integral part of the developmental program. Family-style dining to is used to help instill good eating habits. All meals are prepared in accordance with the guidelines of the U.S. Department of Agriculture's Child and Adult Care Food Program. Breakfast, lunch, and a snack are provided. Safety and security policies comply with the strict Federal Government regulations governing child care. The facilities are inspected quarterly by Preventive Medicine and Safety and the RIA Fire Department conducts fire drills monthly. The programs are also subject to annual inspections by AMC, DA, or DOD, which ensure that your child is being cared for in a safe environment. The RIA CDC staff and FCC providers are highly trained in all aspects of their chosen profession. Basic training includes child development, guidance, first aid and CPR. Center staff receive an additional 24 hours of training annually in age specific workshops. Parental involvement is encouraged and begins with the initial orientation. Parents can continue to be involved through the resource library, parent conferences, daily and/or weekly reports, parent education opportunities, and the Parent Support Council.

Contact Nancy Reeves, (309)782-2828 or DSN 793-2828 for more information on the Child Care Development Center, and Nancy Lawson for information on Family Child Care Providers (309)782-0813 or DSN 793-0813.

Child Care Programs - Community

There are numerous child care programs available in each of the local surrounding communities. The Community Child Care Resource and Referral Center, (563)324-1302 or toll free (800)369-3778, can give you a list of local day care providers. They also provide consumer education materials and educational services to child care providers. You may also refer to the yellow pages in the local telephone book for a listing of child care centers.

Things To Do - Clubs and Social

The Rock Island Arsenal has a Youth Services Center and School Age Services on the installation located in the basement of building 60.

The local community provides several youth centers and organizations. The following is just a sample of some clubs in the Quad Cities: Bi-State Sportsman, 2512 State Street, Bettendorf, IA (563)355-4867; Lake Davenport Sailing Club, E. Youth Employment

There are many opportunities for youth who desire employment. Malls, video stores, and food service jobs are easy to find in the local community. For job search assistance, contact: Jon Cook, contractor, Employment Resource Center, building 110, 1st floor (309)782-0815/0816 or DSN 793-0815/0816.

Youth Centers

Rock Island Arsenal Youth Services (YS) provides opportunity for sports and recreation, help with homework, places to socialize and numerous pre-teen and teen programs. For outside community organizations and centers, consult the Youth Services Center (309)782-7544 or Nancy Lawson at (309)782-0813.

For Teens Only

Your family just got their marching orders - PCS time! Now what? Packing, moving, changing schools, saying goodbye to friends, there are a hundred different things to take care of and to think about. Check out the Military Teens on the Move website below. This website has lots of helpful information and can help guide you through the move. Topics include the new installation, school stuff, family, friends, your stuff, pets, and stress.

The Quad Cities can be a wonderful and exciting place to live, if you become actively involved with school, installation and other youth programs. The RIA Youth Services Center and School Aged Services offer many programs. Their center includes a big screen television, computers, air hockey, pool table, board games, arts and crafts, and much, much more. Visit the Youth Center in the basement of building 60 or call (309)782-7544 for more information.

The Rock Island Arsenal is unique because the installation is located on an island between Illinois and Iowa. Therefore, families get to choose whether to live on base, in Illinois, or in Iowa. This makes several school districts available depending on where your family decides to live.

Youth Employment: The Quad Cities offer many job opportunities for teenagers. Contact the Employment Resource Center, building 110, 1st floor, or at (309)782-0815/0816 for job leads and tips for gaining employment.

If you enjoy sporting events, the Quad Cities has many spectator sporting activities which include:

*Quad City Mallards (hockey) who have earned the 1997 and 1998 Colonial Cup honors. The United Hockey League games are held at The Mark of the Quad Cities from November through March. For ticket information contact (309)764-7825.

*Quad City River Bandits (Class A baseball) affiliate of the Houston Astros. They battle their Midwest

League foes at John O'Donnell Stadium, 209 S. Gaines Street at the foot of the Centennial Bridge on Davenport's riverfront. The Bandits host home games April through August. Call (563)324-2032 for more information.

*Quad City Steamwheelers (arena football) were undefeated in their first season. The af2 team plays 16 games including 8 home games at the Mark of the Quad Cities. Call (563)324-4888 for more information.

*Cordova Dragway Park - Drag-racing events include the International Hot Rod Association's Summer Nationals in June and the World Series of Drag Racing every August. 10 miles north of Interstate 80 on Illinois 84. Call (309)654-2110.

Stock-car Racing - Weekly racing from Spring to Fall at several area tracks, including Hawkeye Raceway, RR 1, Blue Grass, Iowa (563)381-1554; East Moline Speedway, Rock Island County Fairgrounds, 4200 Archer Drive, East Moline, Illinois (309)796-2444; and Mississippi Valley Fairgrounds, Locust Street, Davenport, Iowa.

Recreational and social sporting activities are readily available for teens. There are several golf courses, parks, gymnasiums, sports complexes, skating rinks, skateboard rink, skiing centers, and parks. Schools and youth centers also offer extracurricular athletic programs. Baseball, soccer, basketball, football, hockey, volleyball, softball, tennis, and swimming are all popular events in this area. Contact the school district you will be attending, parks and recreation, or the RIA Youth Center for more information on available programs.

MOVING IS AN ADVENTURE!! Be positive and get involved. You are the only one responsible for making relocation a rewarding and wonderful experience.

Survival Tips For First Termers

Survival Tips for First Termers Overview

Being in the Army presents many challenges for families. It is not always easy to juggle military duties, personal and financial obligations, while attending to the needs and wants of immediate and extended family. Military families are very special and are admired for their ability to make military life attractive. We know that this requires a great deal of planning and solid preparation. Army Community Service, building 110, 1st floor, east wing, (309)782-0829 or DSN 793-0829, is an excellent resource when relocating or answering any questions you may have. Listed below are some "Survival Tips" to help you and your family as you face the challenges and opportunities of the Mobile Military Lifestyle.

Refer to the appropriate categories throughout SITES for more details and POC information.

Before You Move

THINGS TO DO BEFORE YOU MOVE

AS SOON AS YOU RECEIVE YOUR ORDERS

- * Tell Family about move/discuss with all

- *Contact Realtor in new area for homefinding
- *Contact Realtor in this area for homesale
- *Place present home on market (homeowners)
- *Inform landlord of move (renters)
- *Contact the Transportation Office to arrange a meeting.

Before the meeting, gather the following documents: 12 copies of your PCS orders (you will need these to present at various stages of your move); any amendments to your PCS orders, such as special instructions; and a signed letter of authorization or "Power of Attorney", if your spouse or someone else will be representing you at the meeting.

During the meeting with the Transportation Office, you should address the following: regulations, including weight allowances, special shipping requirements, your responsibilities for packing and

cleanup and the mover's responsibilities; records you'll have to keep; how to handle and ship special items such as antiques, pianos, etc.; and DITY moves, whether the cash incentive will make it worth your while to move your household items yourself

- *Explore employment opportunities for spouse
- *Spouse submit resumes/begin searching for work
- *Arrange for absentee voter information
- *Update will/arrange power of attorney at the Legal Office

SIX WEEKS TO GO:

- *Schedule family relocation planning meeting
- *Check school schedules/enrollment requirements
- *Prepare notification list for change of address (friends, relatives, magazines, creditors, postmaster, etc.) Obtain proper forms from post office.
- *Fill out change of address forms if new address or forwarding address is known. You might want to get a Post Office Box in your new location temporarily.
- *Sort out items you do NOT intend to move
- *Plan a garage sale
- *Arrange pickup of unwanted items by social organizations
- *Start record of "allowable moving expenses" for IRS reporting
- *Contact insurance company
- *Gather all important family documents (insurance, banking, birth certificates, medical records, school records, etc.)
- *Contact utilities in new area and arrange hookup dates/old area to arrange cutoff
- *Arrange cleaning of current residence (carpets, etc.)

FIVE WEEKS TO GO:

- *Schedule family relocation update meeting
- *Make personal travel arrangements/movements of vehicles (remember: if flying, you can save money by making reservations early.)
- *Start consuming frozen foods (and canned goods you don't wish to ship)
- *Retrieve items loaned to neighbors/friends; return borrowed items
- *Arrange for pickup of medical/dental/school/church/veterinarian records

- *Decide what to do with houseplants; give away, sell or move

THREE WEEKS TO GO:

- *Schedule family relocation update meeting
- *Transfer bank accounts/get traveler's checks
- *Make hotel/motel/temporary housing reservations
- *Arrange babysitter for moving day
- *Complete home inventory
- *Talk to loan companies (request permission to move items with liens). If auto is leased, arrange for transfer.
- *Arrange for servicing of appliance before move.
- *Return library books.
- *Have vehicles serviced for move.
- *Talk to insurance carrier. Discuss rate changes for vehicles, coverage for new residence, riders for high value items.

TWO WEEKS TO GO:

- *Schedule family relocation update meeting
- *Settle outstanding bills (local commitments)
- *Ensure family pet immunizations are current (overseas especially)
- *Cancel newspapers, trash pickup, etc.
- *Dispose of flammable liquids (label paints, stains, which will stay with house to aid new residents)
- *Refill prescription medications to ensure a two week supply at new home. Have prescriptions forwarded to a pharmacy near your new home.

ONE WEEK TO GO:

- *Schedule family relocation update meeting
- *Prepare games, busy boxes for children on long trip
- *Make final arrangement for moving pets; tranquilizers, restraints

TWO DAYS TO GO:

- *Empty and defrost refrigerator/freezer; add baking soda

- *liquor
- *flammables

Note-If you get married before you PCS, you MUST inform your commander and follow the procedures exactly as you are given them. The military WILL NOT PAY for travel and housing of your spouse if you do not follow proper procedures.

Refer to the Relocation Category for more information.

After You Arrive

- * Contact your sponsor. Your sponsor can provide you and your family with help and information about your new duty location.
- * Contact the Housing Office for temporary and permanent housing information.
- * Arrange for delivery of goods with the Transportation Office.
- * Have everyone help unpack.
- * Check your inventory list to make sure everything arrived in the same condition it was packed. Note any damaged or missing items.
- * Contact the claims office if any of your items have been damaged or broken, you will need to file DD Form 1840 or 1840R if you discover the damage after delivery. Don't throw any damaged items away unless you are told to by the claims office.
- * Visit the finance office to submit vouchers
- * Visit the ACS Office for additional information, newcomer's orientation, and lending closet.
- * Compare banks and credit unions for best local rates.
- * Tour the installation and local community.
- * Give yourself time, moving is mentally and physically tiring. Get to know your new home at your own pace.
- * Check bulletin boards and local newspapers in your area to find groups that share your same interests. The family center at your duty location may have more information.

Refer to Relocation Category for more information.

Reporting Procedures

To inprocess, contact your new duty office.

Reference Must Know Subject Area in the Installation Category for complete details.

Travel Planning

If you plan to travel with your family during the relocation (concurrent travel), you must receive approval from the gaining installation's commander. You must have AUTHORIZATION to move your family BEFORE you plan your move. Serious ramifications can be taken against you if concurrent travel is not authorized.

As you plan your trip, try to limit your daily journey to distances that will not be too difficult for your

family. This could save your family some discomfort along the way. Plan frequent rest stops--every 2 or 3 hours, even if it is only for 5 or 10 minutes. Confirm your reservations on the way to your new installation. If you are taking pets, be sure the hotel or motel where you are staying allows pets. When you call for reservations, be sure to state that you have a pet or pets.

If you are traveling with small children or infants, be sure to make a list of all the things you will need along the way and take all these things with you. Take a few toys for younger children or games for older children to keep them occupied. Also, be sure to take baby food and snacks. Bring clothes appropriate for the season.

When you're on the road, be sure to keep track of mileage and all expenses, and keep all receipts. If you want an advance on your travel pay, request it ten working days before you want to receive it so that your departure is problem free. Your advance pay is based upon what you state you and your family members' modes of travel are to each destination provided it is authorized in your orders. If your actual travel is different from what you had planned to do at the time you filled out your advance request or you completed it inaccurately, then your entitlements will change or you might owe money when you settle your travel. If you owe, travel is not portable and must be paid back within 15 days of notification in one lump sum. If you do not pay it back, the amount you owe plus a \$15 processing fee will be collected from your next regular pay.

You will settle your travel on a DD Form 1351-2. Dependent and dislocation allowance advances must be settled within 30 days of your arrival at your new location.

If you wish to do a Do-it-Yourself (DITY) move, it must be approved by the Transportation Office at your current location before the move. Finance cannot issue an advance or explain your entitlements unless you have the DD Form 2278 that Transportation issues upon approval of your DITY move.

MILEAGE RATES:

Mileage is paid according to the official table of distances, using the shortest route.

AUTHORIZED TRAVEL DAYS:

Authorized travel days are computed by dividing the total authorized mileage by 350 miles. Any mileage left over 176 entitles you to another authorized day. Total authorized travel days can never be more than the number of days you took to travel. You are advanced for the maximum authorized days. If you take less time, you will owe when you settle at your new permanent station.

If you are traveling by plane, the government will furnish the tickets based on your PCS orders. If you are going on leave, you will be required to pay the difference between the fare for official points and the fare with your leave points included. If you purchase your own tickets, you will be reimbursed not to exceed the cost of a government-issued ticket.

See Relocation Overview and Separation Procedures Overview.

Vehicle Ownership

You do not need an Illinois or Iowa driver's license if you decide to keep your home state license with military ID. Non-residents are exempt from vehicle registration. You must have a current registration from another state or country. Neither IL nor IA require inspections of passenger vehicles. You must contact the Pass and ID in building 102, (309)782-0552 or DSN 793-0552 to register cars if you live on this installation. You must contact your insurance company with your new address as the rates are based on where you live.

Refer to the Regulations Subject Area in the Installation Category for specific information.

Housing and Billeting

The Rock Island Arsenal has limited housing available on this installation. There is only one guest quarter available at a rate of \$35 per night. It is important to contact the Transient Quarters Office, (309)782-0833 or DSN 793-0833, for reservations

before arriving. Family housing is also limited on this installation. Many military members and families live in the local surrounding communities.

See Relocation Services and Housing Categories for more information.

Money Matters

Whenever you PCS, you are going to be faced with some unusual expenses. Some examples of unusual expenses are: travel cost, tickets, gasoline, food and lodging, tolls, car tune-up, new tires before the trip, emergency repairs along the way; deposits, damage and rent deposit on new apartment, utilities, telephone and cable; closing costs if buying or selling a new house; temporary lodging at the old post and at the new post; food, restocking the refrigerator and food pantry; household incidentals; light bulbs, toilet paper, soaps, cleaning supplies and equipment; curtains, etc.

Other financial impacts of a PCS move are: do we depend on the money my spouse gets from his or her job? How long will it be before he or she can get a new job? Will it pay as well? We may have to live on less money for a couple of months, or more.

Higher cost-of-living includes not only higher housing and food costs, but also things like having to drive farther to work, child care costs, school costs, etc.

You might have a lower Variable Housing Allowance (VHA) or no VHA at all.

It is imperative that you have thorough financial plan prior to leaving for your new duty assignment.

See Relocation Services and Financial Preparedness. Also See Housing, Housing Overview, and Housing Allowances.
